MLK/RP/CSIR/Advt./BOT/2016

18.03.2016

Applications on plain paper along with bio-data and supporting documents are invited for one post (**JRF/SRF/RA**) under CSIR research project entitled "*Inventory, biodiversity value, status and strategies for conservation of sacred groves of Central India*" sanctioned to Professor M. L. Khan and Professor P. K. Khare, Department of Botany.

Qualifications: **JRF** – M. Sc. in Botany/Environmental Science with specialization in Ecology/Biodiversity Conservation/Higher Plants Taxonomy along with CSIR-UGC NET or valid GATE score. **SRF** – M. Sc. in Botany/Environmental Science with minimum of two years of post - M. Sc. research experience in the field of Ecology/Biodiversity Conservation/Taxonomy supported with research publications in indexed journals of national and international repute. **RA** – Ph. D. in Botany/Environmental Science with specialization in Ecology/Biodiversity Conservation/Taxonomy supported with research publications in indexed journals of national and international repute.

A good temperament to work in remote and inaccessible areas of Central India would be preferred.

Fellowship: JRF @ Rs. 25000; SRF @ Rs. 28000; RA @ Rs. 36000+HRA (as applicable) per month.

NO TA/DA will be paid for attending the interview.

Application may be sent to Professor M. L. Khan, Department of Botany, Dr. Harisingh Gour Central University, Sagar 470003, (M. P.) by post or email (khanml61@gmail.com) within 10 days from the date of the advertisement. All the candidates are requested to bring their updated CV along with photocopy of certificates and reprints of research publications if any in support of their qualification at the time of interview.

The reservation policy as per Central Govt. norms is applicable. The position is co-terminus with the project.

(M. L. Khan)

Professor, Dept. of Botany, Principal Investigator
