

About the University

Doctor Harisingh Gour Vishwavidyalaya Sagar (A Central University), formerly University of Saugor, was established on 18th July 1946 by Dr. Sir Hari Singh Gour (Nov. 26, 1870 – Dec. 25, 1949) by his lifetime saving. This 18th University of India and the oldest and the biggest University of Madhya Pradesh has perhaps the singular distinction of being founded by the munificence of a single person's hard earned money of about two crore of rupees. Apart from being a great jurist and legal luminary par excellence, he was a great Patriot, Philanthropist, Educationist and Social Reformer.

Dr. Gour was the founder Vice-Chancellor of the Sagar University (1946). The Govt. of India honored his memory by issuing a commemorative postage stamp in 1976. The University was rechristened as Doctor Hari Singh Gour Vishwavidyalaya in February 1983 by the State Legislature. It has 36 University teaching departments (number keeps adding) 9 faculties and 175 affiliated colleges covering 6 revenue districts of M.P. The Jawaharlal Nehru Library of the University has more than 4,00,000 books.

The NAAC appointed by UGC has awarded 'A' Grade re-accreditation to this University. This University is declared as a Central w.e.f. 15th Jan 2009.

One Week Online Faculty
Development Program on

**Drug engineering
through computer
aided drug design**

13th-17th September 2021

under aegis of

All India Council for Technical Education (AICTE)

Sponsored

AICTE Training And Learning (ATAL) Academy

About the Department

The Department of Chemistry of Dr. Harisingh Gour University was established right from the inception of the University in July, 1946. The Department holds the unique record of being the oldest and the biggest in central India. The Department has a proud record of various achievements in the field of higher education. At present the Department has a strength of around 800 undergraduate (in 14 different combinations), 150 postgraduate students, 34 research scholars, and 7 project (research) fellows.

The department has been sponsored under UGC-SAP (Special Assistance Program) and DST-FIST (Fund for improvement of science & technology infrastructure). In addition, the faculty members are running the scientific projects worth Rs. 3.78 Cr

Theme of Faculty Development Program

Drug engineering is a broad discipline encompassing discovery, formulation, assessment, and manufacturing of drugs as well as analytical and quality control processes. Recent advancements in technology have also provided impetus to design and develop therapeutic modalities. Through this Faculty Development Program, we attempt to provide novel insights and expertise to participants to equip them to be a contributor to this changing paradigm.

Objectives of Faculty Development Program

To provide information of the latest trends in the industry.

Foster networking opportunities for broadening of research horizons.

Acquaint faculty with funding opportunities.

Strengthen research expertise via exchange of ideas.

Resource Person

Faculty from IITs, NITs, Foreign Universities, Central Universities, Scientists and Industry experts.

Target Audience

Faculty members of the AICTE approved Institutions, Research Scholars, PG Scholars, Participants from Government, Industry (Bureaucrats/ Technicians/ Participants from Industry etc.) and staff of host institutions may attend the FDP

Certificate

The certificates shall be issued by ATAL Academy to those participants who have attended the program with minimum 80% attendance and scored minimum 60% marks in the test conducted at the end of the online FDP.

Registration

No Registration Fee

To Register, please visit:

<https://atalacademy.aicte-india.org/signup>

Eligible participants are requested to sign-up, create profile, select workshop, select thrust areas and apply to this workshop for registration. Due to limitation on the number of participants (200), applications will be considered on first come first serve basis.

Last Date for Registration

10.09.2021 or up to 200 participants whichever is earlier.
